

SUMIT KUMAR

ACADEMIC PROFILE

Degree/Certificate	Institution	Percentage/CGPA	Year
B-Tech	Pharmaceutical Engineering & Technology IIT (BHU), Varanasi	7.74	2026
CBSE (XII)	APS AGRA	88.40	2021
CBSE (X)	APS AGRA	91.80	2019

SKILLS

- **Languages** : Python, SQL
- **Areas of interest** :Data Analytics, Business Analytics, Business Consulting
- **Tools/Frameworks** : PowerBI, Numpy, Pandas, Jupyter Notebook, Matplotlib, Google Collab
- **Soft Skills** - Leadership, People Management, Teamwork, Adaptability, Time Management

INTERNSHIP/TRAINING

STARTUPACCEL

Customer Insights & Churn Analysis Tool

- Prepared and structured customer datasets using **Python** and **pandas**, addressing missing and categorical values
- Conducted **exploratory data analysis** to uncover behavioral patterns influencing customer churn outcomes.
- Engineered predictive features to improve **model performance** and **interpretability** for churn classification.
- Built and evaluated machine learning classification models to **predict churn** with **optimized performance**.
- Visualized key model results and churn insights using **charts**, **aiding strategic retention decisions**.

PROJECTS

Walmart Sales Analysis | SQL & Python

- Analyzed **1000+** Walmart sales records across three branches using **SQL** and **Python** for business insights
- Identified **top-performing product lines** using SQL, improving inventory planning and reducing frequent stockouts
- Performed temporal sales analysis to identify **peak periods**, optimizing marketing timing and boosting **ROI**
- Generated actionable business insights using advanced SQL queries, enabling **data-driven decision-making**, improving operational planning efficiency, and **supporting strategic initiatives** for Walmart store management teams

Uber Rides Data Analysis & Dashboard Visualization

- Cleaned and processed **115k+** **Uber ride records** using Python and SQL for accurate business analysis
- Analyzed temporal and categorical patterns using SQL to identify **demand trends** and **operational insights**
- Built interactive **BI dashboards** to visualize **KPIs**, **trends**, and performance clearly for business stakeholders
- Performed **end-to-end data analysis** using Python, SQL, and BI dashboards, converting raw ride and sales data into **actionable insights** that improved forecasting accuracy, operational efficiency, and **data-driven decision-making**

CERTIFIED COURSES

Introduction to Business Intelligence

June'25

- Certified by OnWingspan, covering BI concepts and data-driven decision-making.

Multidimensional Data Modeling

June'25

- Certified by OnWingspan, focusing on data modeling for analytics and reporting.

POSITION OF RESPONSIBILITY

Publicity Head, Technex'25 (Asia's Oldest Techno-Management Festival)

NOV'24-MAR'25

Led publicity and outreach campaigns, increasing participation and visibility for Technex'25

- Spearheaded a team of **100+** members to coordinate the Publicity, Logistics, and Operations of the Fest.
- Collaborated with **200+** colleges across India for over a period of 4 months, achieving a **70%** increase in participation.
- Executing short and long-term strategies helped to record an increase of **50% in revenue** for Technex.

HONOURS AND ACHIEVEMENTS

- **National Finalist (Top 20/500+ teams)** in CaseX Case Study Competition at **E-Summit'24, IIT (BHU)**.
- Secured **2nd place among 200+ participants** in the Sci-Biz-Tech Quiz at Kashiyaatra'25, demonstrating strong **analytical reasoning, business acumen, and technical knowledge integration**.
